

THE NATIONAL NETWORK FOR SAFEGUARDING LEADS WORKING  
WITH CHILDREN, YOUNG  
PEOPLE AND ADULTS AT RISK

## VISION & VALUES

We believe we are the only multidisciplinary, independent safeguarding association to incorporate education, sport, faith groups, charities, community organisations, leisure, health and social care providers in the UK. NADSL aims to support staff in safeguarding roles by providing access to information, advice, training and CPD.

WE KNOW THAT SAFEGUARDING LEADS HAVE PASSION FOR THEIR  
WORK AND STRONG COMMITMENT.

We know that safeguarding leads are often unclear about where to obtain the best advice and support.

WE HAVE LEARNED THAT SAFEGUARDING LEADS OFTEN FEEL AS  
THOUGH THEY WORK IN  
ISOLATION AND ARE KEEN TO NETWORK WITH OTHERS.

Unfortunately, we have also heard that, occasionally, the effectiveness of existing support, training, and advice is poor because it is untested, unregulated, expensive and often lacks any purposeful quality assurance arrangements. We want to help things improve.

WE ARE COMMITTED TO CREATING AN INCLUSIVE AND  
ATTRACTIVE SPACE FOR SAFEGUARDING LEADS TO GROW AND  
FLOURISH.

### **NADSL offers a community of support**

Our vision is one of Safeguarding Together to create an environment of opportunity, enhanced wellbeing and learning.
